SUPER CHIEF

THE "WORKHORSE" OF THE BRAUN AMBULANCE MODELS

SAFER, LARGER AND MORE CONVENIENT!

This rugged heavy duty 170" Type I ambulance is specifically designed to carry more equipment and handle the high demands that are placed on it. The Super Chief is the premier ambulance in the industry, offering a large roomy interior with over 73 inches of headroom and additional storage areas to house all your equipment. A wide choice of colors and materials allow each customer to customize the patient compartment. Many features like our VitalMax™ Lighting System, acrylic countertops and slide-out writing table make patient care easier. Standard features included in the Super Chief are the EZ Glide™ Sliding Door, Eberhard Free Floating Latches and our MasterTech™ Multiplex Electrical Control System.

This module is the ideal complement to the large medium duty chassis that has become popular among fire departments and heavy rescue squads. The Super Chief, with your choice of a DuraStar, Spartan MetroStar, Ford F-650 or Freightliner M2 chassis, is loaded with many standard features and large spacious storage compartments. Air ride suspension and SolidBody™ Construction combine to give a smooth, quiet ride with maximum useable customer payload. If you are looking for a top quality, Type I medium duty ambulance, Super Chief is the one you want.
