## CERTIFICATION REQUIREMENT

BAB11

BAB12

- ☒ KKK-A-1822-F  
☐ CAAS GVS V.1.0

The customer has read and understand the policy of his State on the selected certification requirement. In order to be compliant to that certification, highlighted items must be chosen. The customer accepts that failure to select highlighted options release Demers from having to build my ambulance to these specific requirements. The customer know and understand that taking exception will not preclude the operation of the ambulance in the State.
