CSI/FORENSICS

Crime Scene Investigation has grown more sophisticated but also more portable. BlueTac CSI vehicles by First Priority take the evidence gathering and processing to the field with high function design and ergonomics. BlueTac units house and support the latest methods and tools to catalog, preserve and process key evidence on the scene. A mini- crime-lab, each unit is mission equipped to gather, organize, and distribute (as needed) vital intelligence to support the hunt and capture of suspects, or to strengthen the case against them. Skilled CSI officers need all their tools and resources in an adaptive mobile resource. The evidence is in: BlueTac is the best choice for mobile CSI and Forensics.
