

FIRE OFFICER

Response • Incident Command • Rescue • Containment

FIRE OFFICER

For Battalion Chiefs and other first-due fire officials, your ability to take charge on the scene is bolstered by arriving in a well-equipped mission driven vehicle. RedTAC from First Priority Group (FPG) offers a variety of standard configurations that support quick deployment and operational support. The ergonomic cab console has room for your radios and mobile data equipment. Isolate your turnout gear, SCBA, HazMat PPE and other equipment in secure, easy-access slide-out compartments. There's room for EMS gear and rescue stretchers if needed. Choose from standard, extended cab and crew cab models.

RELY ON REDTAC. ARRIVE READY.

ABOUT REDTAC

America's first family of mission specific vehicles for the fire service. Pre-configured, turnkey and complete, each RedTac model is crafted around the core needs of your fire department. Our RedTac product line features any type of fire emergency vehicle ranging from fire rescue to fire support, mobile command to wildland and more! RedTac is the latest badge from First Priority Group (FPG) which has historically been known for its custom fire upfits and vehicle conversions. FPG's RedTac series delivers a selection of standardized field-proven designs for faster and more value-driven build outs.
